

DEKTON

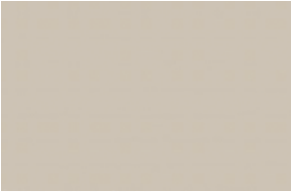

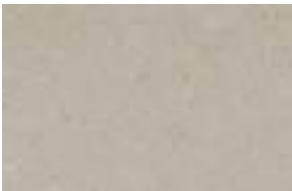

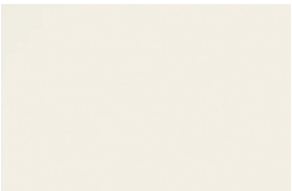

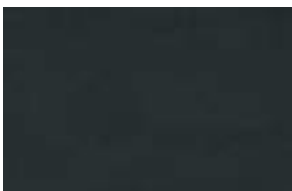

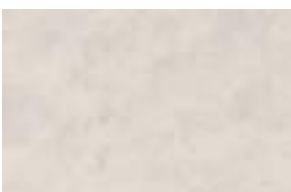

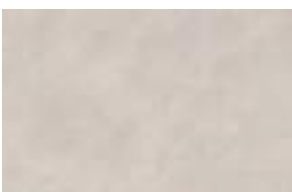

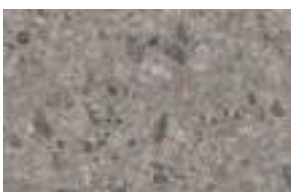

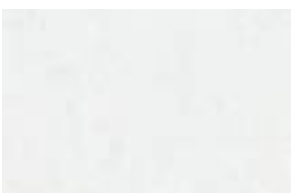

Dekton® ha tutte le caratteristiche tecniche specifiche richieste in una superficie ad alta resistenza per qualsiasi progetto di design da interno o esterno.

Dekton® offre un'ampia varietà di formati di lastre e tagliati a misura personalizzati, che rispondono alle esigenze funzionali e creative del progettista in qualsiasi progetto di interni ed esterni, per quanto complesso possa essere.

Dekton® è disponibile in diverse texture affinché l'unico limite sia l'immaginazione dell'architetto o del designer: dalla finitura ultra-lucida, alle opzioni con texture opaca o vellutata.
